Vendor “Service Partner” Membership Application

Thank you for your interest in the **Association of Workers’ Compensation Claims Professionals**. A WCCP Service Partner Membership is a corporate membership for vendor companies who provide services to the insurance claims industry. Examples include, but are not limited to, law firms, investigation and surveillance companies, transportation providers, accident reconstruction and engineering firms, consulting firms, and others.

Only one Service Partner (corporate) membership is required per company; there is no additional charge for any of your employees, except when and if they attend a WCCP event at a discounted rate.

***NEW!** Your membership will be enrolled in our new interactive website at www.wccp.org. If there is more than one representative with your company, a master account will be established along with a sub-account for each additional representative. You can get this process started yourself by joining at wccp.org and then notifying us as to how many sub-accounts are needed, or you can mail your application with your check, or fax it and charge your membership by completing the credit card information below. Please complete all of the requested information.
